

## **Equalism: The Way Forward**

**God's Call to Restore Faith, Family, and Safety in America.**

A message for every faith, every heart, and every soul.  
For the faithful, the searching, and the ones who feel lost.  
For anyone who still believes — or hopes — that life can be better than this.

This message wasn't written in a boardroom.  
It was born on bent knees, through prayer, surrender, and a lifetime of struggle.

What you are about to read is not politics.  
It's not theory.  
It's purpose — revealed through Christ, through the Holy Spirit, and through the  
fire of transformation.

## A Father's Story

My wife Emily and I have been married for 24 years.  
We're raising three boys ages: 15, 13, and 9. In a world louder, colder, and more exhausting than the one we grew up in.

I know the weight of bills.  
I know the pain of broken trust.  
I know the fear of failing the people you love most.  
I know what it feels like when your kids grow up on screens because you're working too much.  
I know the silence that falls when your family drifts apart and you don't know how to fix it.

But everything changed on August 3, 2025. On the sixth anniversary of my father's passing.

That night, broken and empty, I surrendered.  
And Jesus met me exactly where I was.

He didn't just comfort me.  
He called me.  
He gave me a mission.

## The Awakening

"Jesus said to him, 'I am the way, and the truth, and the life.'" — John 14:6

And suddenly... everything made sense.  
God wasn't calling us to escape this world.  
He was calling us to fix it.

Back to prayer.  
Back to family.  
Back to loving our neighbor.  
Back to the simple, sacred life He intended.  
The noise, the exhaustion, the division — none of it is from God.

“If my people... humble themselves and pray... I will heal their land.” — 2 Chronicles 7:14

This is our moment to answer Him.

## **Equalism: The Vision God Revealed**

In prayer, God showed me something simple and powerful:

We were created to lift one another — not compete ourselves into dust.

Equalism is rooted in three pillars:

- Faith at the Core
- Family at the Center
- Safety for All

It is not a new religion.

It is living out Christ’s command:

“Do unto others as you would have them do unto you.”

People first. Families first. Community first.  
Always through Christ.

## **HERE 4 Help: Where Equalism Comes Alive**

That’s why we founded HERE 4 Help — a nonprofit built to prove that when we put God and each other first again, everything changes.

HERE 4 Help is:

- ✓ A lifeline for struggling families.
- ✓ A home for those seeking purpose.
- ✓ The first working model of Equalism in action.

At HERE 4 Help:

- People are not numbers.
- Workers are not disposable.
- Success is shared, never hoarded.
- Technology serves people, never replaces them.

We create a world where families have stability, effort is rewarded fairly, and no one is left behind.

## **The Farm of the Future: Proof in the Soil**

We are preparing to build the first Farm of the Future right here in Lackawanna County, Pennsylvania.

We are praying, preparing, and searching for the exact land God intends. Once we find it — the plan is ready, the structure is complete, the foundation has been prayed over.

This farm will:

- Use clean, innovative technology.
- Grow the safest, healthiest, most affordable food possible.
- Create meaningful work that honors family.
- Uplift the entire community.

It won't just grow food.

It will grow dignity, stability, faith, and a new way forward.

It will be living proof — in the soil, in real lives — that Equalism works.

## **A Call to Every Heart**

Whether you're Catholic, Protestant, Jewish, searching, or unsure.

If you believe in goodness, love, second chances, and God's power to transform lives... This movement is for **YOU**!

Equalism isn't left or right. It is people helping people, the way Jesus taught.

## Your Invitation

To every person across this nation and across the world. No matter what your race, creed, or past. Faith still lives, and God still calls your name.

The mission is alive.  
The foundation is built.  
The future is rising.

Your first step? Open your heart.

Your second? **Visit**  [www.HERE4Help.org](http://www.HERE4Help.org) and say: “**I’m in.**”

Volunteer • Share this message • Help us find the land • Join the movement

Together, we will show the world what happens when ordinary people say yes to an extraordinary God.

## One Nation Under God

Because He is still the Way Forward.  
He always has been.  
He always will be.

Before you go... pray this with me:

“God, show me the way.”  
If you’re still breathing, He’s not done with you yet.
